

Sun offers a general purpose handknob with lock knob control for use in systems where frequent adjustments are necessary. The handknob components are added to the basic L control. Cartridges may be ordered in this configuration from Sun by specifying a K control in the model number. Sun kits for field conversion are also available.

**TECHNICAL DATA**

Cartridge Series	0
For Cartridge Models	Series 0
Material	Black plastic

- NOTES**
- Only for cartridges date stamped '41' or later. Lock knob snaps onto locknut furnished on cartridge.
  - Snap the lockknob onto the existing cartridge locknut.
